

CORRECTIONS IMPACT STATEMENT

SESSION: 26RS BILL #: HB 594

Introduced

BR #: 1011

BILL SPONSOR(S): Rep. C. Aull, T. Roberts

AMENDMENT SPONSOR(S):

TITLE: AN ACT relating to sex offenders.

SUMMARY OF LEGISLATION: Create a new section of KRS 17.500 to 17.580, relating to the sex offender registry, to define "costume" and "Halloween-related activity"; prohibit sex offenders who have committed a criminal offense against a victim who is a minor from participating in any Halloween-related activity; establish penalties.

AMENDMENT:

This bill amendment committee substitute is expected to:

Have the following Corrections impact

Creates new crime(s)

Increases penalty for existing crime(s)

Increases incarceration

Reduces inmate/offender services

Increases staff time or positions

Changes elements of the offense for existing crime(s)

Otherwise impacts incarceration (Explain):

Have no Corrections impact.

Repeals existing crime(s)

Decreases penalty for existing crime(s)

Decreases incarceration.

Increases inmate/offender services.

Reduces staff time or positions.

STATE IMPACT: Class A, B, & C felonies are based on an average daily prison rate of \$116.41. Community Custody Class C and most Class D felons are housed in one of seventy-four (74) full-service or regional jails for up to five (5) years. Department of Corrections cost to incarcerate a felony inmate in jail is \$46.51 per day, which includes \$35.34 per diem, medical costs, and central office administrative costs (substance abuse treatment not included).*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would likely result in a minimal increase in operational costs at the state level by creating a new Class D felony. However, DOC does not anticipate many convictions.

Class D sex offenders are jail-eligible if the sentence is less than 2 years, and DOC pays counties a per diem for housing those inmates. A Class D Felony sentence is 1 to 5 years.

- One (1) Class D Felon costs KY \$16,975.64 to \$84,878.20
- Ten (10) Class D Felons cost KY \$169,756.40 to \$848,781.99
- One hundred (100) Class D Felons cost KY \$1,697,563.98 to \$8,487,819.88

There are currently 228 inmates in custody and 353 offenders on supervision for offenses related to Failure to Comply with Sex Offender Registration. The population statistics are being provided to offer a reference for the number of offenders who commit similar crimes.

Under the Supplemental Conditions of Supervision for Sex Offenders in Corrections Policy and Procedure 27-30-02, individuals convicted of sex offenses are prohibited from having contact with anyone under the age of 18 and from possessing items intended to attract children. These restrictions are addressed in the Department's procedures for Halloween-related events.

Population counts and offender data are sourced from the Kentucky Offender Management System (KOMS). Cost to Incarcerate can be found on corrections.ky.gov/public-information.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until the disposition of the case. The estimated impact will be based on the \$46.51 cost to incarcerate for the Department of Corrections, including \$35.34 per diem and medical that DOC pays jails to house felony offenders. This cost to incarcerate may not be the actual housing cost for the jail.*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would likely result in a minimal increase in operational costs at the local level by creating a new Class D felony and a new Class A Misdemeanor.

Class D sex offenders are jail-eligible if the sentence is less than 2 years, and DOC pays counties a per diem for housing those inmates. A Class D Felony sentence is 1 to 5 years.

- One (1) Class D Felon costs KY \$16,975.64 to \$84,878.20
- Ten (10) Class D Felons cost KY \$169,756.40 to \$848,781.99
- One hundred (100) Class D Felons cost KY \$1,697,563.98 to \$8,487,819.88

Establishing new misdemeanor offenses could result in additional county prisoners being housed in county jails. A Class A misdemeanor is 90 days to 1 year in jail. Misdemeanants are housed in county jails, and associated costs are the responsibility of the local fiscal court. DOC does not incur a cost for misdemeanor offenders.

- One (1) Class A misdemeanor: \$4,185.77 to \$16,975.64
- Ten (10) Class A misdemeanants: \$41,857.74 to \$169,756.40
- One hundred (100) Class A misdemeanants: \$418,577.42 to \$1,697,563.98

There are currently 228 inmates in custody and 353 offenders on supervision for offenses related to Failure to Comply with Sex Offender Registration. The population statistics are being provided to offer a reference for the number of offenders who commit similar crimes.

Population counts and offender data are sourced from the Kentucky Offender Management System (KOMS). Cost to Incarcerate can be found on corrections.ky.gov/public-information.

PROJECTED IMPACT FROM AMENDMENTS: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

**All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*
