AN ACT relating to the Kentucky all-payer claims database.
AA Statement Required by KRS 6.350

Dear Ms. Allen:

The Kentucky Public Pensions Authority (KPPA) staff have reviewed the proposed legislation and certify the following in accordance with KRS 6.350 (2)(c):

1. The estimated number of individuals potentially affected as of June 30, 2025, are 444,293 active, inactive, and retired members in the plans administered by KPPA;
2. There is no estimated change in benefit payments;
3. There may be an increase in employer costs if the changes increase insurance premiums for the plans offered by the KPPA; and
4. There may be an increase in administrative expenses if additional reporting or data-submission requirements are imposed on KPPA or its health plan administrators.

KPPA has not sought further analysis of the proposed legislation from its independent actuary.

Should you have any questions regarding our assessment of the proposed bill, please contact us.

Sincerely,
