702 KAR 7:125. Pupil attendance.

RELATES TO: KRS 157.320, 157.350, 157.360, 158.030, 158.070, 158.100, 158.240, 159.010, 159.030, 159.035, 159.140, 159.170, 161.200

STATUTORY AUTHORITY: KRS 156.070, 156.160, 157.320, 158.070

NECESSITY, FUNCTION, AND CONFORMITY: KRS ~~156.160~~~~159.160~~ requires the Kentucky Board of Education to promulgate administrative regulation establishing standards which school districts shall meet in student, program, service, and operational performance. KRS 157.320 defines average daily attendance of pupils for funding purposes under the Support Education Excellence in Kentucky (SEEK) Program. KRS 157.360 bases SEEK funding upon average daily attendance. KRS 158.030, 158.100, and 159.010 establish the age for compulsory school attendance. KRS 158.070 defines the school term. KRS 158.240 and 159.035 define attendance credit for moral instruction and 4-H activities. KRS 161.200 requires attendance records to be kept by teachers. This administrative regulation establishes a uniform method of recording pupil attendance.

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person:No answer provided.

(1) Provide a brief summary of:

(a) What this administrative regulation does:

The proposed regulation amendment creates an attendance option for public school students in quarantine or isolation due to COVID-19 during the 2021-2022 school year. Under existing regulation, local school districts do not have a mechanism to provide instructional services to and receive funding for students in quarantine or isolation due to the COVID-19 pandemic. Students under quarantine or isolation are simply considered absent under the regulation prior to amendment. 702 KAR 7:125 generally requires in-person attendance in order for students to be included in a district's Average Daily Attendance (ADA) for Support Education Excellence in Kentucky (SEEK) funding purposes. The current regulation contains several exceptions to the in-person attendance requirement. The proposed regulation amendment establishes an exception to the in-person attendance requirement for students in quarantine or isolation due to the COVID-19 pandemic. The proposed amendment would permit districts to provide instructional services to students in quarantine or isolation and include those students in district Average Daily Attendance (ADA).

(b) The necessity of this administrative regulation:

As the 2021-2022 school year quickly approaches and with COVID-19 rates increasing, school districts are expecting a significant number of students to be subject to quarantine or isolation due to exposure or infection throughout the 2021-2022 school year. Currently, students under quarantine or isolation due to the COVID-19 pandemic would be recorded as an excused absence. As such, they are not counted in district ADA, do not receive instructional services, and must make-up missed work. This regulation amendment will allow districts to provide educational services and include those students in the ADA. Given that quarantine may last fourteen days or longer, this amendment seeks to ameliorate lost instructional time and funding for districts.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

KRS 156.160 requires the Kentucky Board of Education to promulgate administrative regulations establishing standards which school districts shall meet in student, program, service, and operational performance. KRS 157.320 defines average daily attendance of pupils for funding purposes under the Support Education Excellence in Kentucky (SEEK) Program. KRS 157.360 bases SEEK funding upon average daily attendance. KRS 158.030, 158.100, and 159.010 establish the age for compulsory school attendance. KRS 161.200 requires attendance records to be kept by teachers. This administrative regulation for school year 2021-2022 provides for an exception to in-person attendance for students subject to quarantine and isolation due to the COVID-19 pandemic when districts provide instructional services in accordance with KRS 158.060.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This administrative regulation establishes a uniform method of recording pupil attendance.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

For school year 2021-2022 only, this administrative regulation provides for an exception to in-person attendance for students subject to quarantine or isolation due to the COVID-19 pandemic when districts provide instructional services in accordance with KRS 158.060. Under current law, such students would be considered absent and receive no instructional services and districts would lose funding for these students.

(b) The necessity of the amendment to this administrative regulation:

As the 2021-2022 school year quickly approaches and with COVID-19 rates increasing, school districts are expecting a significant number of students to be subject to quarantine or isolation due to exposure or infection. Data indicates a significant rise in the number of COVID-19 cases among Kentuckians age 17 and under. Currently, students under quarantine or isolation due to the COVID-19 pandemic are an excused absence. As such, they do not receive instructional services and must make-up missed work. This regulation will allow districts to provide educational services and include those students in the ADA. Given that quarantine may last fourteen days or longer, this amendment seeks to ameliorate lost instructional time and funding for districts.

(c) How the amendment conforms to the content of the authorizing statutes:

KRS 156.160 requires the Kentucky Board of Education to promulgate administrative regulation establishing standards which school districts shall meet in student, program, service, and operational performance. KRS 157.320 defines average daily attendance of pupils for funding purposes under the Support Education Excellence in Kentucky (SEEK) Program. KRS 157.360 bases SEEK funding upon average daily attendance. KRS 158.030, 158.100, and 159.010 establish the age for compulsory school attendance. KRS 161.200 requires attendance records to be kept by teachers. This administrative regulation for school year 2021-2022 provides for an exception to in-person attendance for students subject to quarantine and isolation due to the COVID-19 pandemic when districts provide instructional services in accordance with KRS 158.060. (d) How the amendment will assist in the effective administration of the statutes: This administrative regulation establishes a uniform method of recording pupil attendance.

(d) How the amendment will assist in the effective administration of the statutes:

No answer provided.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

Local school districts.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment:

For school year 2021-2022, this administrative regulation permits school districts to provide instructional services to and receive funding for students subject to quarantine and isolation due to the COVID-19 pandemic. Such students would otherwise be considered absent and not receive instructional services.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3):

Costs would be dependent on the number of quarantined or isolated students and how the district chooses to deliver instruction to those students. However, districts would include such students in the district's ADA and receive funding for providing instruction.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3):

Districts that provide instruction to students in quarantine or isolation due to the COVID-19 pandemic will include such students in the district's ADA and receive funding. These students would otherwise be considered absent. Absent students do not generate funding for a school district. This regulation is only applicable to the 2021-2022 school year and is in response to the COVID-19 pandemic.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation?

Local school districts.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation.

KRS 156.070, 156.160, 157.320, 158.060 and 158.070

(3) Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year?

The amount of revenue to a local school district is indeterminable. Revenue will depend on the number on the numbers of students placed in quarantine or isolation due to the COVID-19 pandemic as well as whether districts choose to provide educational services. (b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years?

This amendment is only applicable to the 2021-2022 school year.

(c) How much will it cost to administer this program for the first year?

The cost to administer this program during school year 2021-2022 is indeterminable. (d) How much will it cost to administer this program for subsequent years?

This amendment is only applicable to the 2021-2022 school year.
